

Claretian **Missionaries**

THE FORGE
in our
DAILY LIFE

The Forge in Our Daily Life

is a process of spiritual renewal
that Claretian Missionaries
will be participating in from 2011-2014.

PRAYER

Father, may the fire of your love
not be extinguished.
May your love set our hearts on fire.
Burn away:
addiction to routine
so there is zeal;
division to build unity;
sadness leaving only joy;
fear replacing it with hope;
complacency, to sow commitment.
Father, grant your missionaries
the gift of knowing
that they are your children
so that they may love
with greater fervour
all their brothers and sisters.
Amen.
