

*The Forge*

**IN OUR DAILY LIFE**

Claretian Missionaries

## **PRAYER**

Spirit of Jesus,  
you have raised up in the Church  
Saint Anthony Mary Claret  
and have given him companions  
who today continue the mission  
of living and proclaiming the Gospel.

Help Claretian Missionaries  
to be warmed by the Father's love  
so that, forged in the furnace  
of Mary's Immaculate Heart,  
they may be men  
truly on fire with God's love  
sharing this love with  
whoever they meet.

Soften their rigid convictions,  
warm their cold attitudes,  
straighten out their flaws,  
and make them disciples  
happy and available  
to proclaim your Gospel.

Increase their passion  
for serving the world,  
especially the world's most needy  
and accompany them always  
with your light and your strength.

Amen.
